MANNING REQUIREMENTS: Manning requirements may vary depending on mooring configuration, type of line, dock layout and condition, weather conditions, safety considerations, and any other situations that may arise. Examples include: 1) Lines that are crossed with other vessels' lines; 2) Dock cranes or construction equipment in work area; and 3) Ice and snow.

ORDERS: Line orders for ship movements (even if tentative) should be given as far in advance as possible and confirmed later.

CANCELATION: Orders canceled or changed less than 2 hours prior to job time will be billed at full rate.
